

BAY PALMS GOLF COURSE

APRIL 2026

COURSE UPDATES

The South Course is scheduled for aerification on 20-22 April.

The North Course is scheduled for aerification on 27-29 April.

Both pump houses are fully functioning, and we've been able to increase watering.

The South pump starts at 7 pm and waters until 7am. We have approximately 540 watering heads. The irrigation computer is set so that a zone (green, tee box, apron, fairway) waters for 15 minutes, with a limited number of heads. It is hard to distribute more water on the South throughout the day since we have players on the course. We can put additional water on the North depending on the volume of players.

In celebration of the 250th anniversary of the signing of the Declaration of Independence of the United States, I purchased commemorative flags. This past weekend one went missing. We work hard to do the right things for both courses. Please, do not tamper with our equipment or property.

DRIVING RANGE

It's so close! A couple of minor adjustments and it should be good to go. The golf cubes will be available for rent. They will have TVs, fans, sitting area, and Power Tees. If you are not sure what a Power Tee is, google it and see the good stuff we have coming. The other two structures will have mats and will be available on a first come first served basis at no cost to use. You will still need to purchase range balls. The range will be mats only for a while. Once the sod has taken root and is strong enough, I will look at having grass hitting areas a couple of days a week. Look out for the grand opening.

PRO SHOP

Stop in and check out what Shari has on display. She has a handle on our stock and moves merchandise to a clearance rack for those items that need a new home.

Looking for new clubs? Chet is your guy. He is available by appointment to conduct fittings. Please call Chet at the Pro Shop at 813-828-0046 to set up a time.

ADVANCED GREEN'S FEES (AGF) FOR CIVILIANS

We were hoping to have this program up and running, but due to the current security conditions, we have opted to wait.

FREE CLINIC FOR ACTIVE DUTY

Three opportunities for AD Servicemembers and their families to improve their golf skills in April. See you on 1 April, 15 April and 29 April at 12pm.
