

# BAY PALMS GOLF COURSE

**MAY 2024**

## **COURSE**

The new hydration stations are fully operational. One is positioned at the driving range and the other in the half-way house on the South between holes 10 & 11. Please bring your own cup/bottle to fill up with ice/water.

## **SIMULATOR**

Believe it or not, it has been a year since we installed our golf simulator. We have renewed our subscription, and it is fully operational and ready for play. As the hot summer days approach, think about booking a session.

## **GOLF CARTS**

Have you noticed white stains on the windshields? This is caused by spraying yourself with insect repellent near the screen. The DEET in bug spray is a solvent which can melt plastic and remove paint and nail polish. Please be cognizant of where you spray and adjust for wind conditions. Also, be aware when applying insect repellent that you are not on the grass. The chemicals will kill it.

On another note...there is a gash on the side of a cart, a cigarette burn on the seat of another, a dent on the front bumper of yet another. Please take care of these carts! If you are assigned a cart and notice any damage, notify the staff. This is why we can't have nice things.

## **CLUB HOUSE**

Starting in late May, you'll notice lots of children in the clubhouse, driving range, putting/pitching area, and the North Course. These are the kids participating in the First Tee Program Summer Camps sponsored by the Tampa YMCA. Let's make sure we set a good example of behavior and sportsmanship. The camps run through 2 Aug.

## **TUNE UP TUESDAYS**

Fantastic opportunity to sharpen your golf skills in a group environment. Our contracted instructor, Brian Burke, will host four sessions the third Tuesday of every month. Start with 30 minutes on the range followed by 30 minutes working on your short game. \$40 per person. Sign up and pay prior to the session at the Pro Shop: 1100-1200, 1200-1300, 1700-1800, or 1800-1900. Next session: 21 May

## **8 IRON GRILL**

The grill is now open 7 days a week to include Mondays. Breakfast is served daily starting at 0630, full breakfast, bacon & egg sandwich or create your own omelet. Not really hungry, grab & go pastries and snacks are readily available.

As we look towards summer months where the Weather is hot, we will have 6 brews back on the TAP or in a bottle. Wide array of drinks for the thirsty golfer. Join us for a freshly cooked meal and a beverage of choice.
