

BAY PALMS GOLF COURSE

MAY 2026

COURSE UPDATES

Both courses were aerated in April. Bill's crew punched, fertilized, top dressed and rolled the greens. We are expecting to see a marked improvement in the firmness and consistency of the putting surface. The North course will be closed on 4, 11 & 18 May to conduct more maintenance on the greens. We are going to take a more aggressive approach to stimulate growth. More to follow on the progress.

DRIVING RANGE

Opening scheduled in May to introduce our new modern covered driving range. 6 private Cubes with Power Tee automatic teeing systems, seating area, fans, privacy screens, lights, and TV, with Toptracer ball-tracing technology coming soon. These bays will be rented for a fee of \$20 per hour initially. Once Toptracer is installed, there will be a fee increase. 18 additional covered bays available on a first come first served basis. Hit off our premium FIBERBUILT mats, known for performance and real feel. Free to use. No need to reserve. Once we open the covered range, please hit off mats only. Do not hit off the grass.
