

Never say it takes too long to play...

Introducing the "JUST 10" Initiative for the South Course.

This new program is designed to meet the evolving needs of today's golfers. This format offers five key advantages; it saves time, money, provides a more manageable experience for beginners and families, offers excellent exercise, and still allows players to track their handicap. *We're throwing in an extra hole since it's hard to skip #10 when returning to the clubhouse!*
