

Installations + Schools + Families + Communities = Students Success

Mission, Vision, Goals

The School Liaison Program aims to connect schools, families and communities in order to meet the educational needs of the military connected child.

The goals of the program are to:

- Promote communication between local K-12 schools, military families, installation and surrounding communities.
- Promote parental involvement in their children's education.
- Identify barriers to academic success.
- Develop solutions in partnership with local schools and military connected families to overcome obstacles to successful education and school transitions.

- **Military Interstate Children's Compact Commission**
Removes barriers imposed on military children due to frequent moves and deployments.

The average military family moves 9 times over a 20-year career, causing school-related challenges including:

- School Choice
- Transfer of Records
- Immunizations and Age Requirements
- Students in Special Programs
- Students with Special Education Needs
- Calendars and Schedules
- Graduation Requirements
- Sports and Extracurricular Activities
- Connectedness
- Partnerships with School Districts
- Senior Year Moves

School Liaisons are working together to support families and students throughout the world. No matter where your military service takes you, we will be there to assist you in making a positive school transition.
