## UNITED STATES AIR FORCE

### VENETIA D WATERS

Venetia D Waters is the School Liaison Program Manager at the 6th Force Support Squadron, MacDill Air Force Base, Florida. Dr. Waters serves as the subject matter expert on PreK-12 education for students in public, private, virtual and home education. She currently supports over 15,900 military and civilian personnel stationed at MacDill AFB and over 18,000 military connected students within six school districts. Dr. Waters provides parents with tools and resources needed to overcome educational barriers while promoting and educating local communities and school districts regarding the needs of military-connected students.

Prior to her current position, Dr. Waters served as the Exceptional Family Member Program-Family Support Coordinator for over six years which provided needs assessments, information and referral services to over 1500 EFMP families for all branches of the military. She also served as a Community Readiness Consultant at various bases.
