Operating Procedures

ELIGIBILITY

Individuals as identified and authorized unlimited program eligibility by DAFI 34-101, Attachment 2, Table A2-1, may use the facility on a space available basis, however reservations can only be made by personnel in priority category 1 through 6. Individuals identified as in Table A2-2 as limited program eligibility, may use the facility on a space available basis only.

CAMPGROUND CHECK IN/CHECK OUT

FamCamp check in time is 12pm daily. FamCamp check out time is 11am daily.

RESERVATIONS

6.1. Reservations can only be made by personnel in Priority Category 1 through 6 as listed in Table A2.1 of DAFI 34-101.

6.2. A deposit of \$100 or length of stay (whichever is the lowest) is required for reservations.

6.3. Reservations are only accepted from one member of a household under the sponsor's DoD ID number. Requests for advanced reservations for eligible campsites, must be made in person or by telephone, and are on a first come, first serve basis. Reservations will be processed in the order received. The requester will receive a confirmation receipt by email. The Rec-Trac automated system will be used as the system of record. No more than one reservation at a time is permitted from an authorized user. In cases where dual military/retired members are using the same RV, only one reservation will be accepted, and dual status may not be used to circumvent the length of stay policy.

6.4. Areas of the campground will be utilized in the following ways: 6.4.1. There are 305 full hookup campsites designated for 1 to 180 days length of stay. Eligible individuals may make reservations for these campsites no more than 365 days in advance.

6.4.2. There are 54 full hookup campsites designated for first come, first serve stays limited to 14 days. Guests must pay every 2 weeks and the rental fee cannot be pro-rated. Extensions can be made (limited to 14 days) if space is available. If space is not available, guests may choose to go into a dry camp rotation or leave the campground. Patron's RV is required to be on-site in dry camp to be placed on the rotation list. Points will be assigned to patron not complying with the policy. No reservations will be accepted for these 54 sites unless you are an active-duty sponsor with approved leave paperwork. In this case, a 14-day, one-time reservation may be made up to 365 days in advance. 6.4.3. There are 21 campsites designated as partial hookup (water/electric only) sites for 1 to 180 days length of stay. These campsites are issued on a first come, first serve basis. No reservations accepted. If guests would like to move to "Full hook-up" and space is not available, they must return to dry camp and be placed on rotation list.

6.4.4. If space is available for a dry camp, these campsites are issued on a first come, first serve basis for 1 to 180 days length of stay. No reservations accepted.

6.4.5. The tenting area (primitive camping) will hold approximately 25 tents; this designated area is the only place in the FamCamp where tent camping is allowed. These sites are issued on a first come, first serve basis. No reservations accepted. Length of stay is not to exceed 90 consecutive days. Fol-

lowing this length of time, the patron must depart for 14 days before returning to the campground. Generators are permitted and guests must follow quiet hour rules as listed in their renter's contract.

6.4.6. Back-to-back reservation of different types of sites (full hook-up, partial, dry, or tent) to circumvent the maximum length of stay is not permitted.

REFUND OF DEPOSIT

To receive a refund of deposit for any reservation, the cancellation notice must be received by email (macdillfamcamp@gmail.com) at least 72 hours prior to the date of scheduled arrival.

LENGTH OF STAY

8.1. Length of stay for FamCamp/Annex RV sites is not to exceed 180 days per twelve consecutive months. Following this length of time, the patron must either depart for 30 days before returning to the campground or obtain a waiver from 6 FSS/CC based on emergency/hardship circumstances (Attachment 2). Once the 30-day period has been completed, campers may begin a new twelve consecutive month timeframe.

FINANCIAL LIABILITY

The United States Government accepts no liability for damage to any personal property if such damage is the result of circumstances beyond the government's control. If campsites become unavailable through no fault of the visitor or due to any unforeseen circumstance, Outdoor Recreation will refund any unused prepaid rent payments. Authorized refunds are based on the daily rental rate.

BACKFLOW PREVENTERS

Water backflow preventers have been installed on all water spigots as a base requirement.

These do not restrict water flow, so please do not remove them.

SIGNS

FamCamp residents are prohibited from posting signs or setting up displays. Posting of signs at the FamCamp is restricted to official business, with the exception of family name signs and holiday displays on your recreational vehicle site.

FLAGS

In addition to the American flag, Service members and civilian employees are authorized to display or depict representational flags that promote unity and esprit de corps, including: Flags of U.S. States and Territories and the District of Columbia; Military Service flags; Flag or General Officer flags; Presidentially-appointed, Senate-confirmed civilian flags; Senior Executive Service (SES) and Military Department-specific SES flags; The POW/MIA flag; Flags of other countries, for which the United States is an ally or partner, or for official protocol purposes; Flags of organizations in which the United States is a member (e.g., NATO); and Ceremonial, command, unit, or branch flags or guidons. We must always remain focused on what unifies us: our sworn oath to the Constitution and our shared duty to defend the Nation. The flags we fly must accord with the military imperatives of good order and discipline, treating all our people with dignity and respect, and rejecting divisive symbols

**Policy is subject to change without notice at the discretion of the installation commander.*

DAFI 34-101 AIR FORCE MORALE, WELFARE, AND RECREATION (MWR) PROGRAMS AND USE ELIGIBILITY 19.23:

Commanders develop installation policies for campgrounds that best service their eligible patrons. (T-3). Undeveloped camping areas or tents-only campgrounds are Category B programs. (T-3). Natural resource funds, controlled by the civil engineer, may be used in accordance with AFMAN 32-7003. Areas developed primarily for recreational vehicle camping are Category C. (T-0). AF campgrounds were developed for, and should be managed to support, recreational camping purposes and not for a patron to use as a place of business. In addition, the program manager must ensure recreational camping areas are not used as a place to live, except for the recreational vehicle camp host (manager). (T-1). If space is available, these recreational camping areas may be used by personnel on temporary duty to an installation as long as that use complies with maximum length of stay policies. The maximum length of stay must not exceed 180 days per twelve consecutive month period. (T-1). Back-to-back reservations designed to circumvent the local maximum length of stay limit is not permitted. (T-0).

- Length of stay for FamCamp/Annex RV sites is not to exceed 180 days per twelve consecutive months. Following this length of time, the patron must depart for 30 days before returning to the campground or secure a waiver from 6 ARW/CC based on emergency/hardship circumstances (Attachment 2). Once the 30-day period has been completed, campers may begin a new twelve consecutive month time frame.
- Length of stay for the tenting area is not to exceed 90 consecutive days. Following the length of time, the patron must depart for 14 days before returning to the campground.
- For the safety and well-being of everyone, all campers, except for small children, must be able to egress from their camper in a safe and timely manner.
- Be courteous to fellow residents and always conduct yourself in a polite and professional manner.
- Accept responsibility for the behavior of all residents and guests visiting your RV site.
- Quiet hours 11pm until 7am. Campers in dry camp can only run generators all night if temperature is below 45 degrees or above 90 degrees.
- Any guests (not including dependents) shall not remain in your RV for longer than 30 days during your reservation and must abide by all FamCamp rules.
- Actively participate in the care and maintenance of your RV site. You are responsible to water and cut grass within a 5-foot radius surrounding your RV and your vehicles to include under RV, vehicles and around the pedestal assigned to you.
- Clotheslines, fences (including decorative ones), carpets on grass, storage containers and pet cages are prohibited on site. Fees will be assessed if damage occurs to grass.
- In the event of an evacuation, all the campers will be required to depart the park. This includes RV, vehicles, and all personal equipment/items (No Exceptions). In the event you will be absent from your site (RV, tent, or vehicle) for more than 24-hours, you must leave contact information and a local point of contact with FAMCAMP management. You must always maintain a means to evacuate your site at any given time.
- All pets must be kept on a 6-foot non-retractable leash and always attended to unless in the 3 designated dog parks. Please refrain from walking pets in neighbor's yard. There can only be a maximum of 2 pets per campsite.
- Responsibly control all pets/service animals in accordance with base regulations and be sure to properly remove all your pet's waste and place in container provided.
- Acts of aggression between animals or animals and residents will not be tolerated and can result in eviction.
- Children under 10 years of age must be always accompanied by an adult (18yrs or older).
- Do not throw garbage in the recycling bins. It will not get dumped by the recycle collectors.
- Do not place items outside of the garbage dumpsters as they will not get dumped by waste collector. Call the MacDill AFB's Transfer station @ 813-828-8409 for times and location.
- Campers should ensure the immediate area around RV is neat and orderly. Store excess items under your RV and maintain your immediate area in a neat and orderly manner.
- Renter will be subject to a late fee (\$50) when rent is not paid on due date.
- Campsite repair costs will be charged when repair is required due to customer negligence.
- Only a camper and two POVs may be on site, all other items such as boats, jet skis, hot tubs and utility trailers must be stored in an off-site location. The FamCamp Office can provide availability of storage rental facilities.
- Any acts of aggression, public intoxication, public lewdness, or any other acts that create a breach of the peace in MacDill AFB FamCamp area, may result in immediate expulsion.
- First come first serve for short term camping sites MUST do rotation when dry camp has occupancy. If you cannot move, Dry Camp is the only option based on availability. Violations for not rotating within 4 hours of notification from office staff will result in 4 points assessed unless approved, in writing, by the Outdoor Recreation Director.
- All RVs should be equipped with a surge/voltage protector before connecting to USAF power.
- No mail service is provided at the FamCamp Office. No packages or medications will be accepted. Campers can establish PO Boxes through the US Postal System or a certified agency such as UPS.
- In the event of a possible evacuation, campers will be notified to prepare their sites/rigs. Should an evacuation order be made by the 6th ARW/CC, campers will have 24 hours to remove their campers/rigs to an off-base location. Campers will not be permitted to abandon their RVs in the camp or on the installation.

Any violation of your commitment to these contractual agreements will be annotated by management and will result in a review of your eligibility for continued stay in the MacDill FamCamp. If you receive more than 12 points in a 24-month period, your privilege to stay in the MacDill FamCamp as an occupant will be immediately terminated. Please see your FamCamp contract to become familiar of the infractions that can be, but not limited to, added to your campsite.

PET RULES WILL BE STRICTLY ADHERED TO.

MacDill AFB Pet Policy

MacDill welcomes you & your furry friends! Numerous complaints have been filed regarding failure of FamCampers following the pet policy. The following reiterates the FamCamp policy for pets and the base regulatory guidance in regards to pets. The following will be required of all pet owners staying in the FamCamp area:

According to Base Regulation, MACDI.31-102:

Owners/sponsors will:

1. Register all pets that reside on base. Registration at the VTF (veterinarian office) **MUST occur within 10 working days of acquisition** of an uncaged pet or when an uncaged pet reaches 90 days of age. Registration requirements also **include guest's uncaged pets in the FamCamp**. No unregistered pets, except small caged animals, seeing eye dogs and domestic animals in special events will be allowed on base.
2. Control their domestic animals, indoors and outdoors, to prevent the animal from becoming a nuisance to their neighbors. When outdoors, the animal **must be on a leash and under direct supervision** of a person capable of controlling the animal. Outdoor pet shelters are not authorized in the MacDill FamCamp. **Pets will not be tied outside and left unattended.**
3. Ensure all pets have a collar with tag attached that depicts the current name and address of the owner, current MacDill AFB registration tags, and other such tags as may be required by the base or State of Florida for transient personnel.
4. Ensure all domestic animals over 4 months of age are immunized against rabies and maintain a current immunization as prescribed by local law and AFI 48-131, Veterinary Health Services. If rabies immunization is acquired off base by a licensed veterinarian, a record of the immunization must be filed at VTF. The base veterinarian upon demand of competent authority will examine a domestic animal responsible for causing personal injury on MacDill AFB.
5. Ensure domestic animals are not maintained on base for commercial breeding or training purposes. **No one will keep more than 2 four-legged pets to include service animals.** If more than two pets are acquired by birth, the excess number will be removed from the quarters within a reasonable time, not to exceed nine weeks after birth.
6. **Pets are not permitted in the bathhouse/laundry room or any other buildings.** The only exemption from these restrictions are seeing eye dogs and military working dogs.

7. Complaints concerning damage, injury or failure to control pets, will be reported to the Security Forces Control Center. Upon receipt of a sworn written statement from the complainant, the Security Forces Control Center will prepare a report on the incident.
8. One copy of the report will be forwarded by Reports and Analysis (6 SFS/SFAR) to the base veterinarian and a second copy to the FamCamp Office for information. **Upon receipt of two valid complaints against an animal or owner, the 6 MSG/CC will review and decide whether to require removal of the animal.** Failure to remove the animal may result in termination of FamCamp privileges.

Outdoor Recreation FamCamp Pet Policy

1. A maximum of 2 four-legged pets per campsite to include service animals!
2. All pets must be kept on a leash (**maximum 6 ft.**) when outside the camper, and under positive control by the owner.
3. Pets may not be left outside unattended at anytime.
4. Pets must be registered on base if staying 10 days or longer.
5. Notification from 6 AMW states it is mandatory for ALL pets staying here on base for 60 days or longer, including the FamCamp Recreational Facility, must be micro-chipped. If you have any questions or need to schedule your pet's appointment, please contact the base veterinarian at (813) 828-3558/3559.
6. Pets are not permitted in the bathhouse/laundry room or any other buildings. The only exemption from these restrictions are service dogs and military working dogs.
7. Please familiarize yourself with locations of designated "pet walk" areas.
8. All pet waste will immediately be picked up, bagged and disposed of in proper cans or dumpsters. This includes pet exercise area and your neighbor's yard!
9. Failure to comply with these guidelines will result in immediate removal of the pet from the FamCamp.

The following dog breeds are prohibited on MAFB: Akita, Chow Chow, Doberman, Pit Bull, Rottweiler, American Staffordshire Terrier, English Staffordshire Bull Terrier, wolf hybrids of any kind, and any other dog breed with dominant traits geared toward aggression. Ref: Installation Pet Policy dated 15 Feb 2018

Recycling

We hope you enjoy your stay here and would like to offer you some guidance on MacDill's waste management policy. As with other AF and DoD installations, MacDill is federally mandated to recycle as much as possible. In an effort to make recycling more convenient, a large recycling drop-off has been placed in each camping area.

CARDBOARD

All corrugated cardboard except pizza boxes (they go in the trash).

PLASTIC

All plastic with a  symbol. These include soda and water bottles, milk jugs, shampoo bottles, etc. Make sure to rinse all dirty containers.

ALUMINUM

Rinse all aluminum cans before taking to the drop-off.

PAPER

All mixed paper, including office paper, colored paper, newspaper, junk mail, paperboard (cereal/soda boxes), etc.

GLASS

Glass (all colors) must be taken to the dumpster located behind SeaScapes. Remember to rinse all bottles first.

For any additional information, please contact 6CES/CEVT at (813) 828-0460.

Volunteers

The Outdoor Recreation staff relies on the generosity of our volunteers to support many activities offered to our FamCamps. Without these volunteers we would not be able to offer a variety of activities.

To volunteer, please sign up through the Volunteer Management Information System (VMIS). VMIS is a web application which allows volunteers within the military community to find and apply for volunteer opportunities, record and track their volunteer hours, and manage their volunteer service record. Please find the link below.

<https://vmis.armyfamilywebportal.com>

If you need additional information or assistance in applying, please call the Organization Point of Contact (OPOC) for FamCamp at (813) 512-6710.

Jogging Safety

Recreational jogging is great for your health and physical well-being. Although it is enjoyable and extremely popular, it can pose hazards to the jogger's personal safety. Below are some mandatory requirements to minimize the hazards:

All joggers/walkers must...

- Wear reflective gear during hours of darkness
- Jog on a jogging path or sidewalk
- Jog facing traffic on the side of the road when there is no sidewalk
- Remove headphones while crossing streets or running on roads
- Cross at crosswalks where possible
- Obey traffic controls and signs and yield right of way to vehicles
- Always carry some form of identification

Additionally, organizations wishing to run in formation must contact Security Forces at (813) 828-3324 at least 48 hours in advance. Personnel must not run more than 2 abreast and must use road guards when crossing roads.

Reflective gear is available for checkout at the base fitness center. If you have any other questions, please contact the Fitness Center, (813) 828-4496 or Health & Wellness Center (HAWC), (813) 828-4739.

Follow these requirements, enjoy your run, and stay safe.

Bicycle Safety

DODI 6055.4 states: Bicycle safety shall be emphasized in the overall traffic safety program. Programs shall emphasize the **MANDATORY USE OF BICYCLE HELMETS** approved by the American National Standards Institute (ANSI) or the Snell Memorial Foundation. This applies to all personnel, including dependents, who ride bicycles on DoD installations. Children under 10 years old must be accompanied by an adult.

3.5.4. All persons who ride a bicycle, tricycle, or other human powered vehicle, including motorized bicycles, on an AF installation in a traffic environment shall wear a properly fastened and approved (e.g., Consumer Product Safety Commission, ANSI, Snell Memorial Foundation or host nation equivalent) bicycle helmet. MAJCOMs will be the approving official on what qualifies as host nation equivalent. During hours of darkness, riders will wear retro-reflective vest/jacket or outer garment containing retro-reflective material. In addition, bicycles will be equipped with a white front light (not a reflector) visible for 500 feet and red rear reflector or light clearly visible from the rear of the bicycle from a distance of 300 feet.

Bicycles & helmets are available for rent at the Marina.

Shelter-In-Place

TO SHELTER-IN-PLACE OR EVACUATE : AN IMPORTANT DECISION!

When personnel on MacDill AFB are faced with a hazardous material or Weapons of Mass Destruction (WMD) incident, they may be directed by emergency response personnel to evacuate or shelter-in-place. Although your first instinct may be to get as far away, as fast as possible, from the situation, evacuation may not be the safest option.

WHAT DOES IT MEAN TO “SHELTER-IN-PLACE” (SIP)?

Shelter-in-place means simply taking shelter in your immediate area and is meant for short term sheltering during hazardous material-type releases. The shelter can be any room in your RV, but should have as few windows and doors as possible and be large enough to fit everyone comfortably for 2-4 hours. Listen for the “giant voice” announcement to know when it is safe to leave, and a telephone or radio should be available to call for help or let others know that you are safe.

WHAT SHOULD I DO WHEN SHELTERING-IN-PLACE?

You should turn off heat, air-conditioner and fans; close vents, windows and doors; seal any areas where air can enter the RV, and listen to the “giant voice” for instructions. When the danger has passed, you will be advised when it is safe to leave the protection of your shelter and to open the doors and windows of your home or vehicle to air it out.

WHAT SHOULD I DO IF I’M OUTSIDE OR IN MY AUTOMOBILE WHEN THE DIRECTION TO SIP IS ANNOUNCED?

Personnel located outside when SIP is initiated should go to the nearest RV or building and shelter there. If in an automobile, pull into the safest place possible and stop your vehicle. Try to find a shady spot to avoid becoming overheated. Turn off the engine and air conditioner, close the vents and roll up the windows. Listen for announcements on the base’s “giant voice” system and your radio.

WHEN TO SHELTER-IN-PLACE (SIP)?

Shelter-in-place will be directed by local authorities when time does not allow for a safe evacuation and the hazard is not expected to last more than a few hours. In these cases, a released chemical presents a hazard that could lead to injury or death. By sheltering-in-place, you create a safe area inside, while the hazard dissipates outside. Remain sheltered until directed to leave by emergency responders or the “All Clear” is announced.

SHOULD I TRY TO EVACUATE?

You should not attempt an evacuation unless specifically directed by emergency responders. They will use all available information to determine the best means of protecting you (SIP or Evacuate), then notify you. The best thing you can do is to remain calm and follow their orders!

HOW WILL I BE NOTIFIED TO EVACUATE OR SHELTER-IN-PLACE?

You will be notified by a voice announcement over the base “giant voice” system.

WHAT IS A SECTOR AND BLOCK AND HOW DOES IT RELATE TO SHELTERING-IN-PLACE?

MacDill Emergency Management has divided the base into Sectors and Blocks to aid in the notification process to “evacuate or shelter-in-place” in affected areas. There are six sectors on MacDill which are further divided into 22 blocks. Outdoor Recreation office and the main FamCamp are located in Sector C, Block 3. The FamCamp Annex is located in Sector C, Block 1.

HOW DO I PREPARE FOR AND IMPLEMENT SIP?

1. Determine Shelter Location. Your shelter-in-place area is your RV or automobile. RVs are not ideal for SIP but they are better than going outside to find a better place. Choose a room (RV only) with few windows, enough space for the entire family comfortably, and preferably, with access to water. Tents are NOT adequate for sheltering-in-place. If you are in a tent and “shelter-in-place” is announced, go to a close facility or get into your vehicle and follow SIP instructions for vehicles.
2. Prepare window, vent, and door coverings: When the room is used as a shelter, the windows, vents, and doors must be sealed against any outside air entering. Measure all openings in the room and then add two inches to each measurement. Take the measurements and cut plastic sheeting to the size needed. Use tape to hold the plastic in place and seal around windows, vents and doors.
3. Assemble SIP supplies: Your supplies should be stored in the chosen shelter location in a single container. See below for supply listing.
4. Have a plan: After making your preparations, develop a plan or checklist. Make sure your family is familiar with SIP supplies and location, and know how and when to implement your SIP plan.

OTHER POTENTIAL SIP LOCATIONS

If you are near when SIP is announced you may be able to shelter in: SeaScapes, Bldg 654 (Marina), or the laundry room.

Tornadoes

DESCRIPTION

Tornadoes are one of nature's most violent, destructive storms and can devastate an area in seconds. A tornado appears as a rotating, funnel-shaped cloud, striking the ground with whirling winds at speeds of up to over 300 miles per hour. A tornado spins like a top and may sound like a train or like the engines on an airplane. Tornadoes can travel 10 miles or more before they subside. In Florida, they occur most frequently during the months of June, July and August.

TORNADO WATCH

This advisory indicates conditions are favorable for the formation of a tornado.

TORNADO WARNING

This advisory indicates a tornado has been sighted in your area, and you should take protective actions.

PROTECTIVE ACTIONS

- Whenever severe thunderstorms threaten the area, listen to radio and television announcements for updates and instructions from the Giant Voice system or Base personnel.
- When a tornado has been sighted in the area (Tornado Warning) take cover immediately.
- If you are already in Bldg #651 (Laundry Room) or in Bldg #654 (Marina), stay in the building you are in and move away from any windows. If there is enough warning, the Base Fitness Center is also available.
- If in a vehicle, motor home or trailer, get out immediately and seek shelter in a building that offers better protection. If shelter is not available, lay flat in the nearest ditch, ravine or culvert and protect your head with your hands.
- DO NOT attempt to flee from a tornado in your car or any other type

RECOVERY ACTIONS

- Use extreme caution when entering your RV or other facilities damaged by the storm.
- Look for broken gas lines, downed power lines, and damaged utilities and report them to the proper authorities.
- Check for injured personnel. Do not attempt to move people who are seriously injured unless they are in immediate danger. Call for medical help immediately.

Emergencies

MacDill AFB Hospital is a clinic and has no Emergency Room. Emergency Treatment must be obtained off base. When the office is closed please see the Night host for campsite emergencies or call 911.

Shelter-In-Place

PROCEDURES

1. Advise all personnel in and around the building, sheltering-in-place has been initiated.
2. All personnel, not involved in procedures, go to Shelter-in-place room.
3. Lock doors.
4. Go shelter-in-place room, ensure everyone is accounted for, close all doors.
5. Seal doors, windows and vents with plastic and tape as shown in diagram.
6. For emergencies, contact 911
7. Wait for all clear. Monitor IPTV, and channel 19 for updates.
8. When all clear is given, unseal all doors and windows. Open all exterior doors and air out the building.

Reminders

- All "For Sale" items going on the bulletin board in the laundry room must be approved, signed, and dated by the FamCamp Office. Once approved, they will be posted in the glass case bulletin board by an employee of Outdoor Recreation. Any unapproved advertising will be taken down and thrown away.
- Be considerate of others in the common areas, especially the showers and laundry areas. Pick up any personal items when finished to help keep these areas clean. This is everyone's new home now.
- Periodic checks will be conducted on all campers' sewer hoses. It is mandatory to have the donut in place at all times.
- The FamCamp Night Host phone is (813) 532-7657 for any concerns or emergencies. (After-Duty Hours During the Months of October-March)
- The defibrillator is located with the FamCamp Night Host on duty and at FamCamp office during office hours.
- On-site delivery for propane with weekly delivery fee, per stop, plus cost of propane will be charged. Sign up in the Marina for delivery. 1 Nov-15 Mar.
- Flag Detail - when flying the U.S. Flag at night, it should be well lit the entire night. Otherwise, it should be retrieved before dusk.

- Remember Reveille and Retreat is played daily. Please render proper respect by following base procedures. When you are not under cover: stand at attention, with hand over heart, facing the flag or the sound of either Reveille or Retreat. While driving, don't forget to stop your vehicle at the side of the road when either is being played.
- For everyone's safety, please observe the posted speed limit, (10 mph) within the FamCamp.
- The Security Forces Building, located on the corner of Marina Bay Drive and Tuna Bay Place, is not a place to wash or clean your campers and/or boats, nor a place to clean fish. Additionally, you are not to obtain electricity from any portion of this building.
- Children under 10 years of age must be accompanied by an adult (18yrs or older).

LAUNDRY ROOM REMINDERS

Call or come in FamCamp office with information on broken washers or dryers.

- All lint traps must be cleaned out after each use. Excessive buildup of lint can cause fires.
- Pet owners, when laundering pet bedding, should ensure to utilize the designated washer/dryer.
