

# Life is a journey, not a destination

## Air Force EAP

No matter where you are on your journey, there are times when a little help can go a long way toward achieving your goals. From checking off daily tasks to working on more complex issues, your program offers you and your household members a variety of resources, tools and services to help make your life a little easier.

- Build your resiliency by attending a webinar
- Tackle a personal issue by using a self-paced app
- Accomplish a goal with the help of a coach

## Key features

- Provided at no cost to you and your household members
- Completely confidential service provided by a third party
- Available 24/7/365

Getting the help you need, when you need it, can result in you leading a happier, more productive life.

## Coaching

Your coach will:

- Meet with you by phone or video conference
- Create a clear cut plan of action to help you meet your goals
- Provide resources, assist with problem-solving, follow-up and accountability

## Counseling

Access a nationwide network of licensed professionals for support with challenges such as stress, anxiety, grief, substance misuse, relationships concerns and more. Meet with your counselor in-person or by video conference (if available).

## Online programs

Self-guided programs can help improve your health and overall emotional well-being if you're struggling with depression, anxiety, insomnia, chronic pain, substance misuse or an obsessive compulsive disorder. The programs are easily accessible and proven effective.

## Legal assistance, financial coaching & identity theft resolution

Expert consultation to help with your legal, financial and identity theft needs. Access a free online library with resources for identity theft resolution, budgeting, debt management, family law, wills and more.

## Work-life services

Save time and money on life's most important needs. Specialists provide expert guidance and personalized referrals to service providers including childcare, adult care, education, home improvement, consumer information, emergency preparedness and more.

## Senior care management

Caregiving can be demanding physically, emotionally and financially. This service will help assess and recommend the right care for your household member. Services include in-home assessments, facility reviews, post-hospitalization assessments and ongoing care coordination.
