I agree to be responsible for all materials charged with this card and for all fees incurred for loss or damage of materials charged on it. I understand that the library does not accept responsibility for my child's choice of library materials. I will notify the library of any change of address or organization, as well as loss of any of my cards.

A parent/guardian 18 years or older must always accompany children 11 and younger while in the library. Children younger than 8 years of age must always remain within sight of their adult guardian, at all times, and managed in a responsible and safe fashion. The library reserves the right to ask parents/guardians and children to leave the library due to behavior that is disruptive to others, library property or if the behavior puts the library at a liability risk. If youth 12 and older or parent/guardian does not respond or cooperate with the instructions of library staff, staff members will contact the base security police.

I understand that the computers in the Base Library are the property of the United States Government. I attest that I will in no way attempt to alter or to change computer hardware or software during my usage. I understand that I can and will be held responsible for any damage to the hardware or software due to misuse. When using the Internet, I will not view or visit pornographic sites, networks or images. I understand that computers in the Base Library are not to be used to load or play computer games. I understand that failure to adhere to this agreement can and will result in loss of privileges at the Base Library, charges for repair or replacement of damaged hardware or software, and/or disciplinary action by civil or military court.

Signature _____ Date _____

Privacy Act Statement: Authority Chapter 31, Title 44 USC Section 3101 and EO 9397. Principal purpose: Files used to administer programs and collect statistics. Requested information is voluntary. Without the information, access to the computer lab will not be granted.
