# BAY PALMS GOLF COMPLEX

## JANUARY 2022

### HAPPY NEW YEAR!

We'd like to start off by thanking all of you for your patronage in 2021. 2022 officially started for us on 1 October. Bay Palms had a great 2021 with over 36,000 rounds. Prior to COVID we averaged just under 30,000. With the increase in rounds, we finished in the black for the first time in years. I would like to thank my staff for providing great customer service and presenting you with an outstanding facility. We also appreciated all the baked goods and kindness shown to us throughout the Holidays. You truly made the season special. Looking forward to seeing each of you in 2022.

### STAFF NOTES

Superintendent update; Selection was made and we are working through the processing phase.

### COURSE

Have you ever wondered where exactly you should place a bunker rake? Even though nearly all sources agree that rakes should be left outside the bunker, we encourage inside-the-bunker placement. This prevents a rake from obstructing a bunker-bound ball, keeping you from stepping on and causing injury, while also making it easier on maintenance to mow around the edge.

With the gorgeous weather and the increased rounds being played, the greens on the South Course are experiencing heavier amounts of ball marks. Remember to repair yours, and at least one other to maintain a smooth surface.

### PROSHOP

Our holiday sale was a success and depleted our stock. The good news is that new items are arriving daily. Newest to the shop: Ping Putters, Cobra Putters, Cobra Air Max woods and Foot Joy shirts. This is your Pro Shop, please let us know if you are looking for something we don't currently stock.

### EVENTS

9 Jan- 1230 Tournament. Shotgun start South Course
