Get Golf Ready Courses

“Get Golf Ready” is a PGA of America affiliated program that will teach you everything you need to know about the game of golf. If you are a beginner who has never played the game you will learn all the fundamentals of the golf swing, as well as, the etiquette necessary to blend right into the rest of the golfers on the course. The program is also a great refresher if you played in the past but want to shake the rust off of your game.

Golf 4 Kids

Children should have the opportunity to learn the game of golf at a young age, just like all other sports available to them. Our junior golf program at Bay Palms includes a multitude of camps and clinics offered throughout the year. We also participate in the PGA Jr. Golf League and can't leave out the 2,200 yard - 18 hole set of family tees.

Tournaments

Golf is a great opportunity to bring a group together to enjoy the south Florida weather. It is also a great way to raise funds for your squadron or organization. Call our staff and let us help you make your next event a huge success.
