an *Illinois Department of Children & Family Services* initiative

## WHY SHOULD YOU GET YOUR FAMILY INVOLVED IN THE SUMMER READING PROGRAM?

There are many benefits of summer reading programs for children. National research finds that students who participate in library summer reading programs scored higher on reading achievement tests at the beginning of the next school year than those who did not participate. Our mission at DoD-MWR Libraries is to provide the resources and experiences to bridge this summer gap, while inspiring literacy and life-long learning.

Register all family members who wish to participate in the Summer Reading Program at: [macdill.beanstack.org](http://macdill.beanstack.org)

*Download the beanstack app from your app store or google play store to use the timer to log minutes for yourself, children, teens, spouse & any extended family members.*

After logging minutes, you'll receive messages at each milestone instructing you when to visit the library to pick up your prizes. Prizes are awarded to top readers in different age categories:

Pre-readers (ages 0-4); Children (ages 5-12); Teens (age 13-17); Adults (18+)

Join us at the Base Library on Thursday, August 3 at 4:30pm for the Summer Reading Program Awards Ceremony
