Are you ready to dive into this adventure? This dive is exclusively for fossil finding such as Columbian mammoth teeth, whale vertebrae; mastodon teeth, turtle shell, and of course, the Megalodon. It is a 3 tank dive that includes tanks, weights & fossil bag. Participants must have their own gear (BCD, Regulator, dive watch, compass, wet suit, snorkel & mask). The crew will set up your gear for you and answer any questions you may have. They will also offer a fossil class and tips on how to hunt for fossils.

You must be Open Water certified (bring your C-card). We also recommend divers have at least 15 dives experience or be very comfortable in the water.
